Dear Nancy,

How are you beautiful? Talk about a proud brother of a pretty sister, that's me. I was really surprized and pleased when I received your letter and picture. I'm glad you liked your dress, Mother and I were walking down the street and we saw it. She remarked that it would look nice on you, so ——— Mom, told me quite a bit about you which makes me very proud. From your picture I'll bet you have to fight the boys off. You don't have any steady do you? I hope not because that's what I want to be. As soon as I get back you and I will go out to dinner and dance. If you have any dates for that night, I'll expect you to break them. How was Paul Robeson? I would really loved to have heard him. Did the high school concert group sing

with him, Ruth Garrett said something  
about it. Say, is she going steady or  
something, Am still carrying the torch,  
no kidding. Find out and let me know.

Give Mrs. Boice my love and tell  
her that I would like to sing again with  
the choir and do will when I get back.

Tell all the kids hello and give  
the babies my love. And chin up.

Your loving "Leathomeck"  
Frank
